Ms. Doole,

I really love this class and have learned a lot. To bad you can't go to Blue Ridge to teach computers so I could take your class. Thanks for everything. Love Maria '90

What do you want?

The first time students set foot on the East Henderson High School campus; they started one of the best times of their lives.

At the start, time went by slowly, but the continuing dream never stops, as the students are still attempting to attain their goals.

The prosperity of East Henderson High School has always been founded on three things: Respect, Responsibility, and Pride. With our attention focused on these things, we are led on our journey to acquire the knowledge to achieve our goals.

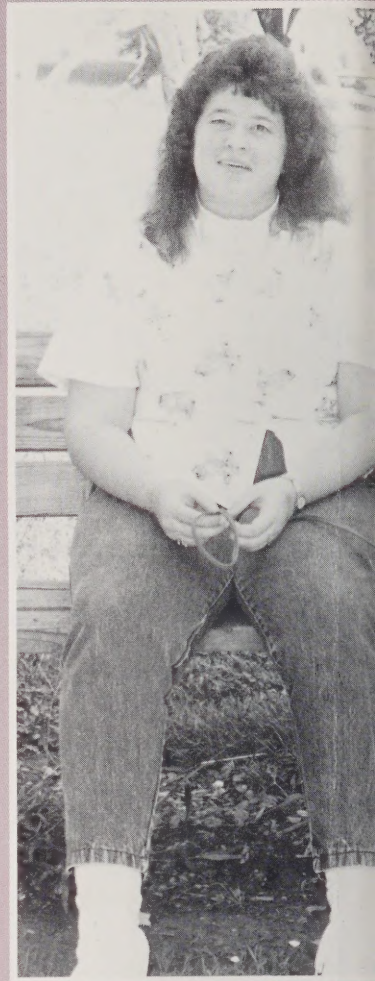

Throughout the years we have overcome our problems such as failed tests, a team's losses, broken relationships, and lost loved ones. We, the Eagles, have always been able to offset the bad with the good. By keeping this quality, we can learn to adapt to anything that lies before us in our future.

You've come a long way baby!

I'm not in the mood!

From beginning to end, the year spent at East Henderson High School will always be a time to remember. Years after we have graduated and have continued on with our lives, there will always be those unforgettable moments such as ball games, the prom, detention hours, and last but not least, our graduation day.

The times remembered will not always be good ones, but they will never be forgotten. Losing friends and loved ones, failing at very important tasks, and broken relationships are very few, compared to the other problems faced by students today, but . . . we've survived!

As you look back, try to focus on the good things rather than the bad. Remember, whatever problems you face in life, you will always have a friend at East Henderson High School.

What a pair.

I've got to pass this test.

Please! Please! No more autographs!

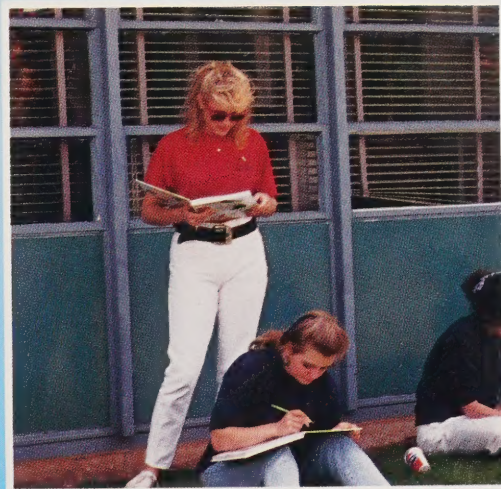

The terrible twosome.

Not a very nutritious meal, girls.

Time

Of

"Life's a joke!"

What is a typical day in the life of a student at East Henderson High School? The student's day begins at 8:25 when the tardy bell rings. Of course, there are those few who scatter in late and find themselves staying an hour after school. This the beginning of what seems to be a very long day. The next six and a half hours are very hectic. Trying to find time between classes to talk to your friends, go to your locker, and do whatever has to be done before your next class. When the 3:05 bell rings it does not mean the day is over for everyone. Many students are involved in extracurricular activities which take up a lot of time after school. As you can see a student's life is not easy!

"Love Birds!"

"Hanging out!"

Our

Lives

Times Not

The Prom of 1989 was held at the Hyatt Regency in Greenville. It was held on the night of May 12. It would be a time that would never be forgotten.

Juniors and Seniors spent many hours planning what to wear and who to go with. The perfect dress and flowers were chosen for this important occasion.

People arrived in groups, and some came alone. The girls were the height of fashion, and the guys were in their tuxedos.

The band, XENON, helped to "Rock-the-Night Away" with the latest hits.

Traci Beal and Kristy Taylor look on as the band starts another song.

Kristen Johnson and Shelby Pruitt compare prom dresses.

This band member appears to be "jamming away."

Mrs. Hawkins, Mrs. Johnson, and Mrs. Bridges were three of the chaperones at the prom.

Forgotten

Brandon Smith says, "I want YOU to meet me here next year!"

Bryan Bradshaw and Pam Strickland take a break.

MIKE Cox, Gary Tittle, and Mike McGraw seem to be having fun "hanging out" at the prom.

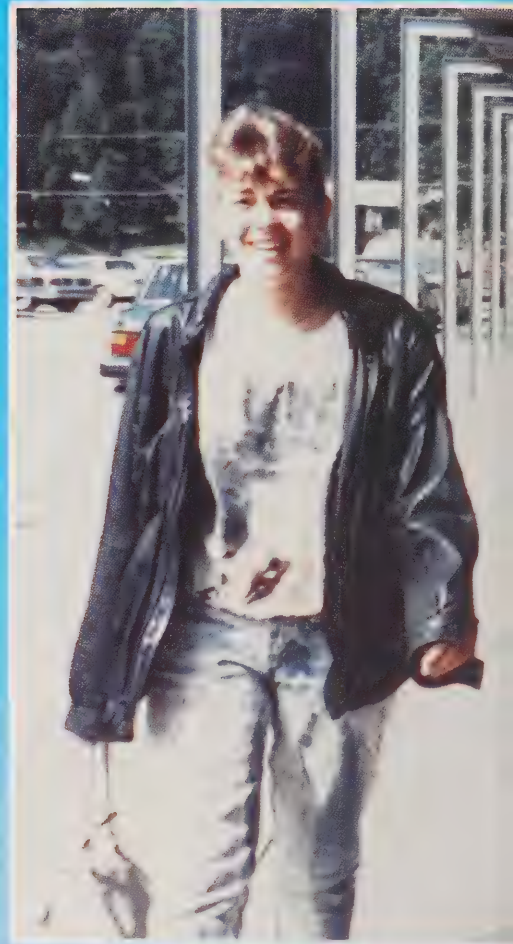

Monnie Griggs and Laura Hamilton talk with Misty Rogers.

Jonette Corn and Garrett Rapp dance the night away.

Mark Simpson is proud of our football team.

Kim thinks it is just a "matter of time."

Lunchtime, girls?

TIME

ON

Jennifer and Kerry take a leisurely stroll.

Trendy accessories such as Swatches and multi-colored jelly bracelets added a timely touch to the fads and fashions that have appeared in the halls.

Everyone seems to feel that it is time for a change from the traditional "yuppie" look to a new "do your own thing design."

Time concepts are important in other areas of our lives too. Movies, such as "Back to the Future," feature plots on the time element. Popular songs reflect "our time" through lyrics, sounds, and rhythm.

Fads, fashions, movies, and music all reflect the students' feelings that this is truly their time for fun and self-expression.

Debbie and Julie prepare to change classes.

"Smile, you're on candid camera."

OUR

HANDS

A TIME TO REMEMBER

As graduation nears seniors must start making decisions that will affect the rest of their lives. Many will go to college, some will get jobs, or some may decide to travel. No matter what you decide to do your friends at East Henderson High School will always remember you and the good times we have shared together. The Class of 1990 wishes the Class of 1989 good luck in the future.

Our Junior Marshals honor the Class of 1989.

"Walk this way."

"They're playing our song."

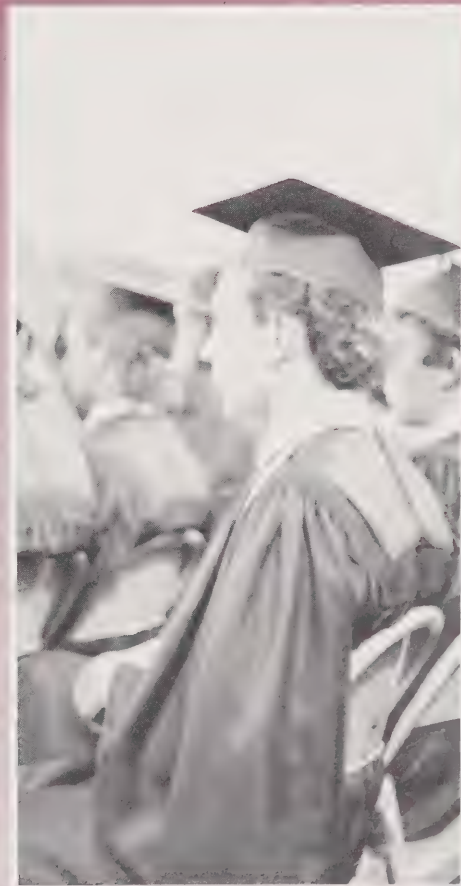

Simon says, "Say cheese!"

Graduates listen intently to the commencement speaker.

Bill Owensby waves to the crowd.

An anxious moment for Kenny Stephenson.

SUMMER TIME

Swimming, sunbathing, and going on relaxing vacations is how many will remember the summer of eighty-nine. Every year when school lets out for the summer the same ritual begins. Eagles can be found at the mall, Myrtle Beach, or just cruising around town. Dedicated Eagles can be found working in grocery stores and fast food stores. The ultimate job can be found at the pool. Being a life-guard has its advantages you know!

Life's a BEACH!!!

Andi Crowder enjoys her weekends at Belk's, working.

Wendi Williams at the Cookie Shop.

Angie Pace shops at Belk Simpson.

Most everyone tries to catch up on sleep during the weekend. So, what's left to do? Well, you can sit around watching television, or you can get out and take advantage of your free time! East Henderson students can be seen taking in a movie or shopping at the mall. Many students have discovered the dance club, J-TRACKS, in Spartanburg, SC. These students travel close to an hour to listen to their favorite songs and meet people from surrounding areas on teen night.

Twila Boutwell enjoys the toys.

Chuck and Marc take in the J.V. football game.

East At 30

This year we are celebrating the thirtieth anniversary of East Henderson High School. Until 1960 students from this area attended Flat Rock, Dana, and Saluda High Schools. In the fall of 1960 students came to their new school located on the former Henderson County Fair Grounds. The school consisted of six buildings. The vocational building was added a few years later.

Many things have come and gone over the past thirty years. Others have stayed the same. Some have just taken on a new form.

As students were arriving at East High for the first time their parents were preparing to elect a new President. None of the seniors could vote, however, because the voting age was still twenty-one. In the fall of 1960, John Fitzgerald Kennedy became the President of the United States. Throughout the 1960's students at East Henderson as well as all across the nation were faced with tragedy after tragedy. President Kennedy was assassinated, and we entered the Vietnam War. The civil rights marches were in effect, and Martin Luther King and Robert Kennedy were assassinated. There were, of course, the good things too. Whether it was for protest or fad there was the music. In February, 1964, the Beatles made their first national appearance on the Ed Sullivan Show. Others like Bob Dylan used music to voice their political protests. From Detroit came the sound of Motown, introducing the world to a number of black artists. As we have seen this summer, "A three-day outdoor rock festival in August of 1969 brought the music of the 1960's to a climax. Woodstock offered the nation a glimpse of the counterculture and became the symbol of the youth solidarity." As the 60's ended Americans had ventured beyond the boundaries of our atmosphere as Neil Armstrong and Buzz Aldrin walked on the moon.

As the 70's came to a close the American nation had much to reflect on. The television had allowed us to watch the investigation and resignation of a President. The end of the Vietnam War had thrilled us all. The nation celebrated its 200th birthday with parades and celebrations throughout the summer of 1976. In 1977 the music industry lost its ultra super star when Elvis Aaron Presley suddenly died at Graceland. In March of 1979 the nation looked on in horror as a nuclear reactor at Three Mile Island began to break down. As the 80's came near, the nation watched 444 American hostages be released as a new President was sworn in.

As the 80's come to an end and we near the 21st century, the world becomes smaller as east and west meet at the bargaining table. The U.S. remains ever powerful as we bomb Libya, invade Grenada and exert police action in the Persian Gulf. The Reagan era includes a number of technical advances. Computers and Lasers have made everyday tasks easier. Two years after Americans watched the Shuttle explode, the program is back on track.

Gone are the days of eight track tapes and forty-five's to be replaced by CD's and videos. The music of the 80's is the largest mix of styles in the history of the industry. Favorites range from Country to Classic, Heavy Metal to Motown, Blues to Top 40, Jazz to Rap. Artists easily crossover from one brand of music to another. Old hits can be recognized in lyrics of commercials. Electronic music and synthesizers allow anyone to create a sellable sound. America used music again to promote causes. Profits from "We Are The World" and "Farm Aid" concerts helped many to survive.

As we enter the 1990's we must realize the accomplishments of such greats as the late John Lennon, Karen Carpenter, and Irving Berlin. Some stars of the 50's make a return in the 80's, with slight changes. The Osmonds of the 60's have dissolved but Donny makes a recent comeback. The smallest Jackson 5 has the all time video with Thriller. Jean Simmons loses his makeup and becomes popular again. With recent concert tours, the Stones still "Can't Get No Satisfaction." And we all wonder what the next decade will bring.

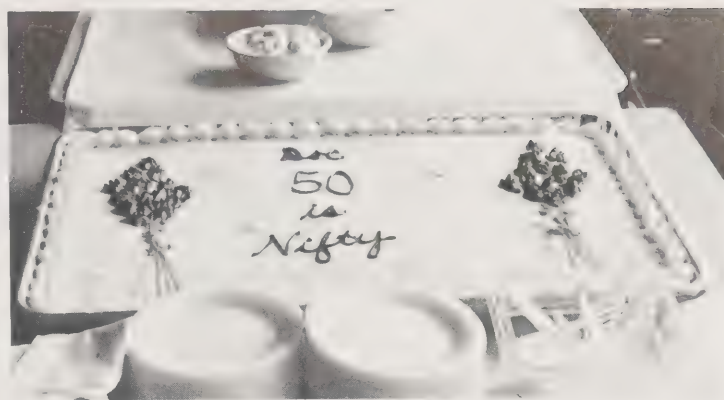

As we approach the twenty-first century the possibilities are limitless. Each year we move faster and further. Accomplishments of the past cause us to look to the future with great expectations. What will the next thirty years bring to East Henderson High. As you all reach your forties in the year 2029 many of your children will be here to celebrate the sixtieth anniversary of East High.

A Time

Many students at East Henderson hold a part time job for various reasons. Some get jobs hoping to gain the experience needed to land better jobs in the future, but most students work to pay for cars, buy clothes, and especially to support their social lives after the sun goes down. These activities include anything from going to a movie, shopping at the mall, eating out, going to athletic events, to "partying the night away" with friends.

East Henderson High has moved with the styles. Our trends not only depend on the styles, but also the type of person you are. For the girls fashionable vests, stretch pants, and leather items. For the guys Bugle Boy clothes, sweaters, and boots. The flannel shirts, bush-hog hats are still favorites. During the summer plaid shorts were in — along with the unusual wild, bright clothes.

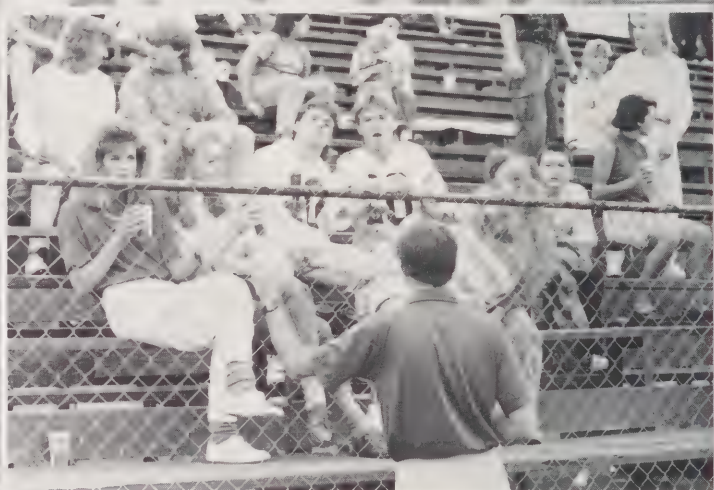

The styles have changed alot here at East Henderson High since last year. People have "dressed up" more this year, including the guys.

American Field Service (AFS) activities and meetings are directed toward learning about other countries and cultures and welcoming foreign exchange students. Members of AFS are encouraged to study in another country for lengths of time from a summer to a full year, and to find host families in our county so that we may enjoy getting to know more foreign exchange students. This year's activities include: get-togethers with foreign exchange students in Polk, Henderson, and Transylvania counties, and summer visits by foreign exchange students to local families and by students from East to other countries.

"Activities of AFS club promote interest in and knowledge of other cultures."

Nicole McClure was elected district Vice President at the Marketing Leadership Conference

DECA (Distributive Education Clubs of America) is a vocational student organization designed to prepare students for careers in marketing, merchandising, and management. Each year students in DECA have an opportunity to grow and develop leadership skills by attending conferences at the district, state and national levels. This year, DECA members attended the Marketing Leadership Conference (MLC) at Western Carolina in October to elect district officers; the Marketing Competitive Events Conference (MCEC) at Enka High School in January to compete for the state level; and the North Carolina Career Development Conference (NCCDC) at Winston-Salem in March to compete for the national level. They were also involved in the Free Enterprise Project in December and January in an effort to inform others of the free enterprise system.

"Students with career goals in marketing will find many opportunities available in the dynamic field of marketing."

The Drafting Club takes a swing in direction this year as former sponsor, Coach Mike Mathews leaves East. Taking his place is Mr. David Jones. The Drafting Club will still use the same mode of operation as before. That is taking up money from the members to pay for a project of their choice that benefits the club. They have previously bought a stereo and painted the drafting room. The club consists of those students who take Drafting I and Drafting II.

The club also takes an annual field trip to local industries to receive hands-on training in the field of drafting and to view the different types of jobs available to them upon graduation.

Don't point that at me!!!

"I am excited about being here. I look forward to improved work over the year."

FBLA (Future Business Leaders of America) is a club at East that helps the student establish better leadership abilities and give him a better future for a business career. The members take part in leadership conferences, district and state competition. The members also participate in unrelated business events. Such as donating a Thanksgiving dinner to a needy family and doing honor roll certificates for the school. FBLA is a club that helps strengthen confidence and prepare for the professional world.

"FBLA is a club which serves the students as an area to grow in leadership, character, and business skills."

Sponsoring an early morning breakfast is just among the many things FHA-Hero does.

FHA-HERO has been one of East's oldest clubs. The club prides itself on building character and responsibility. They sponsor after school snacks for the band, athletes, and many other organizations. The club also participates in county, state, and other competitions. FHA-HERO is a co-ed organization which allows the student to get real experience, rather than just classroom studies. Though their proficiency is shown in the numerous competitions, conferences, awards, it also is shown through their service for the school and community. One of the big projects this year is collecting cash register receipts from area grocery stores in order to get a new Apple computer.

"A lot of students come, go, and grow through their participation in the activities of FHA-Hero."

Keywanettes is an active service club at East High and has been for nine years running. Keywanette members are selectively chosen from applications and interviews by senior Keywanettes. This year, the Keywanettes were involved in school activities such as campus clean ups and providing refreshments for dances and sports tournaments. They were also involved in their community by visiting rest homes and helping with the Christmas tours at the Carl Sandburg home. They raised \$416 for UNICEF by selling spirit links for 10¢ each in a contest against West High. All Keywanette activities are steps toward a competitive state level against other schools.

"The services Keywanettes provide make the school and community a better place to be."

STUDENT COUNCIL

Student Council is one of the most important clubs at East High. This year, members and Student Body officers were very busy with such projects as the Homecoming Assembly, Friendship Week, and the Prom Assembly. The sophomores helped out Student Council during Friendship Week by pairing a person up with their most compatible match in school. The junior class worked hard with various fund raising projects to raise money for the 1990 Prom. The senior class painted the senior sidewalk, designed the senior T-shirts, and won the spirit link in the spirit link contest for the class with the most school spirit. Overall, Student Council helped to make this a very successful year.

“ This year’s Student Council was very enjoyable to work with. ”

VIDEOVATION

The Videovation team takes a break to pose for the camera.

Videovation is new at East this year. During its premier, the team has learned just how hard it is to make a video. This club develops a video yearbook. The video, which is 40 minutes long, covers sports, such as basketball; events, such as homecoming and produces short stories about the school and its students. They have learned that although a video is not the easiest thing to do, it is one of the funniest.

The 1989-1990 Marching Eagles were very successful this year. For their half-time show, they performed "Carolina in the Morning," "I'm Walking," "Night Train," and the classic "Let It Be Me". The band competed in one competition this year. They received an excellent rating at The Maroon Devil Classic Contest. The drum major, Bryan Long, and the drum corps both received superior ratings. The band director, Gerald Ledford remarked, "This year's band has been a joy to work with. Everyone seemed to get along and work hard to make this a superior year."

PEP RALLIES

▲ Mr. Manis changes directions with "Give me an E ..."

Give me an "E" ... Anyone who has ever attended a pep rally at East should know this cheer. This year our athletic teams have excelled in every sport, which has given us plenty of reasons to have school spirit. This year there were many new additions to our pep rallies to make them more entertaining. The faculty cheerleaders impressed us all. Doc's traditional "Give me an E ..." was passed on to our new principal, Mr. Manis. The classes chanted "SENIORS", "JUNIORS", AND "SOPHOMORES"!!!!!! However, the most memorable pep rally was Mr. Manis' first. Robert Waters was named "Banana King" for his remarkable performance in the one man banana eating contest. Coach Robinson sang "East High Will Shine tonight" while letting the cheerleaders paint "BEAT WEST" on the top of his head. Every student at East has proved to have some school spirit, and the best place to show it was at the pep rallies.

▲ Robert Waters ... "Banana King"

▲ "East High will shine tonight ..."

What is the name of Alexander The Great's horse? Give up? Bucephalus. This is the kind of question you would be asked if you were a member of the Quiz Bowl Team. The Quiz Bowl is a team competition between schools. The questions are both academic and trivial. The Quiz Bowl is made up of four members and four alternates. The senior members of the Quiz Bowl are also members of the Knowledge Bowl. The Knowledge Bowl is sponsored by the Asheville-Buncombe County Youth Council and U.N.C.A. There are competitions at local, regional, and state levels. The winners receive trophies and scholarships.

I.S.S. is an effective discipline approach for most students. However, there are some students that need some other types of discipline in order to encourage them to concentrate more on their schoolwork. Most students do not like to be in a room all day long without getting to talk with other students. This year we have not had too many people that have repeated over two times. The teachers are usually very helpful and cooperate with keeping the students busy with classwork.

FAREWELL DR. LEDBETTER

After nineteen years as principal of East Henderson High School it is difficult to say farewell to Dr. Thomas A. Ledbetter. When we think of his dedication, support, and interest shown to both students and faculty over the years, we can truthfully say we were blessed to have known him.

As the new assistant superintendent of Henderson County Schools, we would like to extend to you our sincere thanks and our best wishes for the future. We love you and will miss you.

How about some punch and cookies?

Just a small token of gratitude from East Henderson High.

▲ We sent you off with a "bang"!!!!

"Oh, Look a briefcase! Just what I need." ♦

WELCOME MR. MANIS

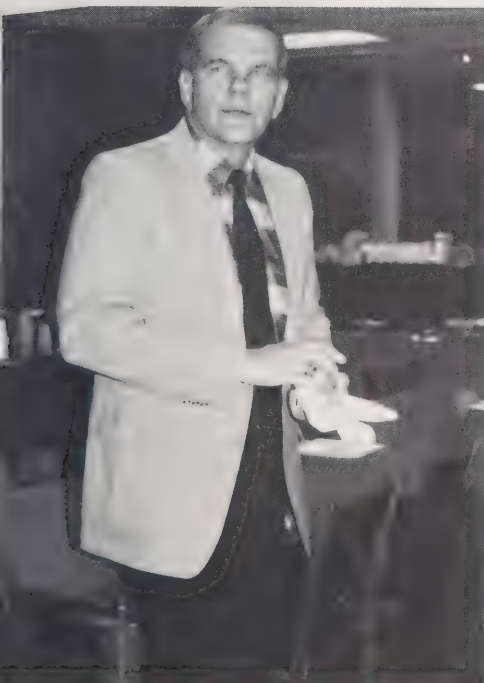

We want to welcome Mr. Mike Manis as our new principal. We hope your tenure with us will be a happy and successful one. As a former Falcon, we want you now to fly with the *Eagles*. East has a great deal of school pride and we know that you will carry on this tradition.

Thank you for making this new transition a smooth and successful one.

Lunch at Mama D's.

Mr. Mike Manis, our handsome new principal.

Mr. Manis and Mrs. Garren share ideas.

IN LOVING MEMORY

The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me: thy rod and they staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil: my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

Psalm 23

Mrs. Roma Hamilton, 1928-1989

Mrs. Hamilton and grandson, Dustin.

In Loving Memory

The Rose Beyond The Wall

*Near Shady wall a rose once grew,
Budded and blossomed
in God's free light,
Watered and fed by morning dew,
Shedding its sweetness day and night.*

*As it grew and blossomed
fair and tall,
Slowly rising to loftier height,
It came to a crevice in the wall,
Through which there shone
a beam of light . . .*

*Onward it crept with added strength,
With never a thought of fear or pride,
It followed the light
Through the crevice-length
And unfolded itself on the other side.*

*The light, the dew, the broadening view,
Were found the same as they were before
And it lost itself in beauties new,
Breathing its fragrance more and more.*

*Shall claim of death cause us to grieve
And make our courage faint or fall?
Nay, let us faith and hope receive
The rose still grows beyond the wall,*

*Scattering fragrance far and wide,
Just as it did in days of yore,
Just as it did on the other side,
Just as it will forevermore.*

OUT

The 1988-89 Baseball Team was coached by Wendell Ireland and Alan Bunch. The baseball team played 20 games and their record was 9-11. Some of the highlights of the season were during the first half of the season. They were 8-4 before spring break. The strengths of this team were the hitting and the pitching. The weakness came toward the end of the season, when they started getting injuries — mainly with the pitchers. The Eagles are very lucky to be having 10 members of the team returning this year. The team leaders were the three seniors — Rodney Justus, Robert Vaughn, and Mike Sain. As for this years team, they have a chance of being better since alot of players are returning. Coach Ireland says, "The main focus on this year's team will depend on the pitching."

▲ Grand Slam!!!

The '88-'89 Lady Eagles had a very successful season. With a record of 7-7, they made their way to the State Playoffs for the first time in the history of our school. The Lady Eagles were led by juniors; Jonette Corn, Peggy Pace, Mieki Summers, Jan Johnson, and senior, Tammy Gilliam. Team member Peggy Pace said, "We accomplished a lot this year by making the playoffs. Next year I want to go one step further and win the state championship." Making the playoffs has boosted the morale of the team. Next year we hope the tradition continues and brings back a state championship.

Men's Track

The 1989 Track team had several outstanding performances throughout the season. Jon Orr qualified for the state track meet in three events: the 100m dash, 200m dash, and the long jump. He also anchored the 1600m relay team that won the sectional track meet and came within less than one second of breaking the school record. Other members of that team were Chad Simpson, Mark Simpson, and Travis King. Travis was also on the 3200m relay team that set a school record. Other members were Will Maier, Nathan Curry, and Yuki Mochizuki, a foreign exchange student from Japan. Other sectional qualifiers were David Ashe in the shot put and Chuck Stephens in the 100m dash.

Women's Track

▲ Angie Pace, Athena Hendrix, and Lisa Brown, "The Distance Crew!"

Early last February Coach Morgan, Coach Evaul, and Coach Tebben made a combined effort to start getting East's ten women track team into shape. The girls looked "shaky" at first, but by the first meet the team's talent was obvious. Debby Holingsworth, the only senior on the team, was the leader and main point scorer. She and Jennifer Mason went to state to compete. Debby Holingsworth, Angie Pace, Lisa Barnwell, and Jennifer Mason broke numerous records. The New Records are posted over the gym door.

▲ Jump for it Lisa!!!

▲ Boy, can you run Cheryl Miser!

Soccer

The 1989-90 soccer season proved to be the most successful one yet. Although this was only the third year for the team, they proved to be very competitive in the conference. Because the team consisted mostly of seniors, next years team will be affected by their loss. Senior, Shane Gragg is a first year player for the team who said: "This was only my first year on the team, I have learned a lot about the sport. I feel that the team has pulled together quite well." Soccer here at East will continue to improve under the guidance and leadership of Coach Evaul.

▲ Serving is an art.

Tennis

The 1988-89 tennis team continued to improve. With the addition of several new players and three returning lettermen, the team was more experienced. New players Tommy Long, Chris Talley, and Brandon Smith earned starting roles with returning lettermen, Shane Gragg, Michael Bridges, and Jimmy Barnette. The tennis team finished fourth in the conference and had a strong finish in the Regional Tournament with Tommy Long advancing to the State Tournament in singles. The team is coached by Coach Saltz.

SWIMMING

The 1989-90 East High Swim Team brought the sport of swimming back into the athletic program. Even though the swim team lacked quantity and allotted time at the YMCA, they improved substantially throughout the season. This year's team was coached by Suzette Fabian from Michigan. Her talent and skill helped each person to improved their strokes and improve their times. Jumping in the pool at 6:15 seemed to be the team's only complaint. Their dedication and endurance made the season a prosperous one.

▲Coach: Suzette Fabian

Varsity Volleyball

The 1988-89 Varsity Volleyball Team had a great year. Their record was 7-9 with their new coach, Art Faura. This was his first year being a volleyball coach for the Lady Eagles. He brought a lot of encouragement and spirit to the team. The team leaders of this very determined team were Jan Johnson, Amy Lister, Jonette Corn, Tisha Cole, Sonya Garland, Sharon Saltz, and Beverly Maybin. Amy Lister says, "the highlights of the season were 'WINNING it's FUN,' getting the ACE serve, and SLAMMING the ball in someones face (SPIKING) !!" She also says, "the disadvantages were when you get hurt and when you lose." This was a good season for the Lady Eagles, but they will be losing eight of their players due to graduation, of course! They have a lot of players returning which will hopefully lead to an even better season next year.

▲ The 1988-89 J.V. Volleyball Team.

J.V. Volleyball

The 1988-89 East Henderson J.V. Volleyball team had a great season. Their record was 9-7. Before the season began they attended a volleyball camp at Flat Rock Junior High School. The camp helped them to improve their skills and to concentrate more on the game.

Throughout the season the team displayed enthusiasm and superior team work. The improvements were witnessed by all of the Eagle fans. At the beginning of the season the team was in a temporary slump because the former coach had moved and they had not found a replacement. Coach Faura volunteered to coach this year's team and led them through a successful season.

The team was made up of four juniors and three sophomores. A senior foreign exchange student, KiKi Scholz, from Germany also was a member of the team.

Men's Cross Country

Although neither the boys nor the girls had enough runners to compete as a team, each had successes on an individual level throughout the year.

Doug Wallace and Travis King bounced back and forth among the leaders all season, and both had season high runs in their final meet of the year at the Regionals.

Travis King and Angie Pace were selected captains for their respective teams, and Travis and Jennifer Lentini were voted MOST VALUABLE.

The teams will miss graduating seniors, Travis King and Bryan McMurray. Those returning next year are Josh King and Doug Wallace.

Women's Cross Country

Although neither the boys nor the girls had enough runners to compete as a team, each had successes on an individual level throughout the year.

Jennifer Lentini and Angie Pace finished second and third overall in a seven team race at Christ School, and both placed high throughout the season. Jennifer earned All-Conference honors in the Championship Meet in Brevard.

Travis King and Angie Pace were selected captains for their respective teams, and Travis and Jennifer were voted MOST VALUABLE.

The teams will miss graduating senior, Angie Pace. Also graduating are Christie Willie (team manager) and Michelle Harris (statistician).

Those returning next year are Athena Hendrix, Jenny Howard, and Jennifer Lentini.

CHEERLEADERS

The Junior Varsity Cheerleading Squad and the Varsity Cheerleading Squad have had outstanding accomplishments. This year both squads attended Universal Cheerleading Camp at Western Carolina University. They competed with squads from North Carolina, South Carolina, Georgia, Tennessee, and Virginia. The J.V. left the camp as Sideline Chant Champions in the Junior Varsity division.

The Varsity Squad won two overall championship awards. The "Key to the Spirit Award" which was voted on by all the squads at camp, and for the second consecutive year the Varsity Eagle Cheerleaders were named Pom Pom Champions.

Two girls from each squad were given the opportunity to compete in the All-American competition. Nicole McClure and Kristey Lamb competed. Nicole was chosen along with several others from different squads and named "All-American." She went to London, England and performed in the Lord Mayor of Westminster's New Year's parade.

Both squads competed in the Cheerwine Cheeroff. This was held in the Asheville Mall. The Junior Varsity won third place. The Varsity, who received third place last year, went on to win FIRST PLACE which earned them a trip to Myrtle Beach in March to compete in the Can-AM competition. They will compete against squads from both the United States and Canada.

▲ What's going on over there?

The '89-'90 football team has had the best season East Henderson Hill School has seen for quite a while. With a lot of determination and experience, they managed to have a winning season and entered the State Playoffs.

The experience of seventeen seniors was the key to their success. The talent of several underclassmen aided in their efforts. All of the students at East High would like to congratulate the football players and coaches on a job well done with hopes that next season will be as good or even better.

J.V. BASKETBALL

The J.V. team got off to a bad start this year. It was partly because of their inexperience. Most of last year's team moved up to Varsity level this year. By next year, the team should be promoting some valuable players for the Varsity Team.

The 89-90 Varsity Basketball team worked hard throughout the year. This year's team was made up of mostly returning seniors. This experience enabled them to produce one of the best records that East has had for quite a while. Next year's team promises to be as good with returning juniors and upcoming J.V.'s.

"It's Been Fun!!!", Coach Neil Setzer says as the half way mark of Wrestling has passed. Coach Setzer is very proud of his team especially his three year wrestlers. They are Seniors, Ronnie Hillard, Scott Moore, and Joe McHugh. Coach Setzer is also very proud of his second year wrestlers, Senior — Scott Muller and Junior — Chris Kilpatrick. Coach Setzer said, "The Seniors are the *Leaders of the Team.*"

The War Eagles started out the year by winning *Seven Straight Matches.* Starting off the season brought alot of spirit to the team. The War Eagles are made up of eight Sophomores on the team, that will help out the team in the following years. The War Eagles have six Juniors on the team and they will be returning to help lead the team to further VICTORY's. Coach Setzer thinks next year we will do as good as this year's team. As Coach Setzer said, "Its Been Fun!!!" — and *Good Luck* in the Future.

Duane,

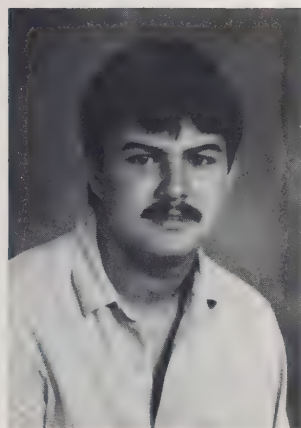

Thanks for all the wonderful memories of your childhood and school days. We are so very proud of you and the fine young man you have become.

May God Bless you and keep you in His love, Congratulations for a job well done!
Love always,
Mom and Dad

Congratulations, Molly!

As you complete this "movement" in your life, we recall, with love and humble pride, the wonderous joys, musical and otherwise, you bring to our lives. We praise God for you, and pray daily that your highest hopes and dreams become reality, and that you always claim God's promises. Yesterday, today, tomorrow, — always, we love you and who you are!

Mom, Dad, Eva

Thank you, Brad, for bringing so much love and joy to our family. Your smiles and the twinkle in your eyes always warms our hearts. Please know that whatever you do in life your parents are with you and are very proud of you.

To Dusty Ayscue,

God blessed us when he sent you. You've been a joy, a comfort when our hearts were heavy. A help when we needed someone strong, and a friend. I'm proud to call you "Son".

Love,
Mom

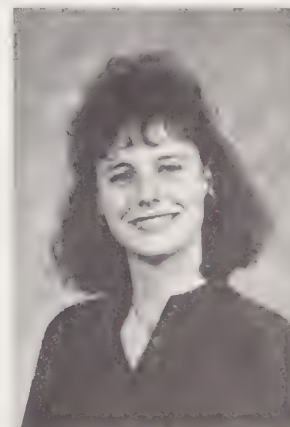

Beth,

You will always be our precious little girl. We're so proud of you, and we love you.

Ms. Doole,
I'm really glad
we had you as a teacher
this year & got to know you.
You a very good teacher with a
great personality, and I'm not trying
to flatter you I'm being honest. I have
heard many of the faculty say what
a great personality you have. Good luck
in the future.

P.S. I hope you
will come to my wedding
Sept. 191. I sent you
an invitation.

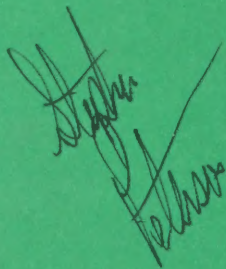

Miss Doole!

This year has
gone by so quickly
we all really had time
to really know each
other! I did have
fun! And
I learned a lot
